

Arti

Simply
reinvigorating

Attractive and compact, Arti is a smaller version of the popular Natura model. While it shares many properties with its larger cousin, its smaller size makes it easier to install.

Where there are limitations in either budget or space, Arti is the perfect way to enjoy the healing properties of the sauna and bring a little bit of luxury into your yard.

Key features

Exterior

The exterior cladding is designed to withstand severe climate conditions: the Nordic spruce wood is thermotreated, brushed and painted.

Doors and windows

Double-glazed tempered glass with quality pine frames with UV protection.

Interior

Inside wall and ceiling panels: horizontal Rombto profile 27 x 90 mm, choice of aspen, alder or thermo-aspen.

Lighting

Terrace has spot LED lights. Inside we have LED strips behind the backrest. Lights are dimmable with a remote control unit.

Suitable equipment

Heater AuroomAlta 12kW control unit Auroom Impera. Sound: speakers, Bluetooth player.

Materials

Aspen

Alder
