

Kaia

Compact.
Contemporary.
Timeless.

Discover Kaia, the sauna that proves compact can still be extraordinary. With its sleek lines, contemporary design, and signature round window inspired by Zen philosophy, Kaia brings a sense of calm and elegance to any outdoor setting.

Step onto the distinctive front terrace, beautifully accented with ambient lighting, and feel Kaia's welcoming presence even before you enter. Inside, the natural warmth of thermowood and soft interior lighting creates a soothing atmosphere that transforms every session into a moment of wellness.

Designed for year-round use with minimal maintenance, Kaia is the perfect choice for those who value both modern style and lasting performance. With Kaia, wellness becomes part of your everyday rhythm.

Key features

Compact & contemporary design

Modern lines, a small footprint, and a distinctive cladding profile make Kaia ideal for gardens, backyards, or holiday homes.

Exclusive round window

Inspired by Zen philosophy, the Enso-style circle window balances elegance, natural light, and privacy.

Premium materials

Crafted from thermowood with a durable metal roof for strength, stability, and resistance to humidity.

Ambient LED lighting

Integrated lighting enhances the sauna's warm, inviting interior.

Year-round comfort

Built for all seasons with quick modular installation, ensuring reliable performance in both warm and cold climates.

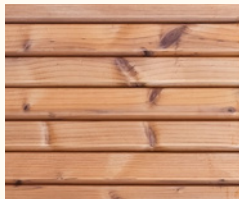

Efficient heating

Compact dimensions allow fast heat-up with low energy use.
